

WHERE WILL YOUR IMAGINATION TAKE YOU?

Art Sticky Knowledge

Music can make us sing, dance or move to the beat.

A regular and repeated noise in a piece of music.

My voice, my body and instruments can be used to play along to music

The primary colours are red, blue and yellow.

Black paint can be used to make colours darker (tones).

Paintbrushes can make thick and thin lines.

Claude Monet was a French impressionist painter.

Henry Tanner was an American impressionist painter.

You can create paintings using different tools such as brushes, sponges, fingers, rollers and stickers

The imagination is part of the mind that creates pictures and stories.

SUMMER TERM EARLY YEARS
