This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Key priorities and Planning

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Play Leaders to run engaging sport sessions during lunch time.	Children have an active lunch when participating in sporting activities run by the play leaders.	Continue to offer a variety of physical lunchtime activities, delivered from play leaders and Sports Coach
Zone the playground into specific areas to allow a broad range of sport to be played throughout planned breaks and lunchtimes.	Midday staff are confident in the delivery of lunchtime 'games': Children have a range of choices for lunchtimes for opportunities to be active. They can take part in team activities, with a partner or on their own.	Effective activity to ensure all children participate in physical activity and helps to support school values.
Provide a number of useful features including planning and resources to support teaching. Demonstration videos available to aid CPD.	Support for staff to teach high quality PE lessons and allows AWS to track PE assessment data across the whole school.	All staff use Get Set for PE to support their delivery in a high quality PE session. Staff understand and use resources effectively
To run active after school extra- curricular clubs each week. These should provide a range of sports to appeal to as many children as possible.	Children are provided with an opportunity to take part in an additional hour of physical activity after school.	Several staff members ran successful after school and lunch clubs. Continue to offer this next year but structure into year groups to support with appropriate levels being accessed.
Actively engage with the KS1 competition calendar from Flying High Trust	The pupils gain confidence from entering these events and it creates the motivation to participate in sports. It celebrates PE & our Trust values are developed & rewarded.	Children enjoyed attending FHT events. Continue to ensure budgets are put into place to provide transport costs.
